FASE 1

Handwriting practice grid for FASE 1. The first box contains a cursive letter 'l' with a dashed line for tracing. The following five boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 2

Handwriting practice grid for FASE 2. The first box contains a cursive letter 'l' with a dashed line for tracing. The following six boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 3

Handwriting practice grid for FASE 3. The first box contains a cursive letter 'l' with a dashed line for tracing. The following seven boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 4

Handwriting practice grid for FASE 4. The first box contains a cursive letter 'l' with a dashed line for tracing. The following ten boxes are filled with a grey grid pattern. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

Handwriting practice grid for FASE 4. The first box contains a cursive letter 'l' with a dashed line for tracing. The following ten boxes are filled with a grey grid pattern. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE NINJA

Handwriting practice grid for FASE NINJA. The first box contains a cursive letter 'l' with a dashed line for tracing. The following ten boxes are filled with a grey grid pattern. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

Handwriting practice grid for FASE NINJA. The first box contains a cursive letter 'l' with a dashed line for tracing. The following ten boxes are filled with a grey grid pattern. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 1

Handwriting practice grid for FASE 1. The first box contains a large cursive letter 'p' with a dashed line for tracing. The remaining five boxes are empty for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

FASE 2

Handwriting practice grid for FASE 2. The first box contains a cursive letter 'p' with a dashed line for tracing. The remaining six boxes are empty for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

FASE 3

Handwriting practice grid for FASE 3. The first box contains a cursive letter 'p' with a dashed line for tracing. The remaining seven boxes are empty for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

FASE 4

Handwriting practice grid for FASE 4. The first box contains a cursive letter 'p' with a dashed line for tracing. The remaining ten boxes are shaded gray for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

Handwriting practice grid for FASE 4. The first box contains a cursive letter 'p' with a dashed line for tracing. The remaining ten boxes are shaded gray for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

FASE NINJA

Handwriting practice grid for FASE NINJA. The first box contains a cursive letter 'p' with a dashed line for tracing. The remaining ten boxes are shaded gray for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

Handwriting practice grid for FASE NINJA. The first box contains a cursive letter 'p' with a dashed line for tracing. The remaining ten boxes are shaded gray for independent practice. Each box has a blue top line, a red bottom line, and a vertical dashed midline.

FASE 1

Handwriting practice grid for FASE 1. The first box contains a large dotted character '人' for tracing. The following five boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 2

Handwriting practice grid for FASE 2. The first box contains a medium-sized dotted character '人' for tracing. The following seven boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 3

Handwriting practice grid for FASE 3. The first box contains a small dotted character '人' for tracing. The following seven boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 4

Handwriting practice line for FASE 4. The first box contains a dotted character '人' for tracing. The following ten boxes are shaded gray for independent practice. The line is bounded by a blue top line and a red bottom line.

Handwriting practice line for FASE 4. The first box contains a dotted character '人' for tracing. The following ten boxes are shaded gray for independent practice. The line is bounded by a blue top line and a red bottom line.

FASE NINJA

Handwriting practice line for FASE NINJA. The first box contains a dotted character '人' for tracing. The following ten boxes are shaded gray for independent practice. The line is bounded by a blue top line and a red bottom line.

Handwriting practice line for FASE NINJA. The first box contains a dotted character '人' for tracing. The following ten boxes are shaded gray for independent practice. The line is bounded by a blue top line and a red bottom line.

FASE 1

Handwriting practice grid for FASE 1. The first box contains a large, solid black character 'ㇿ' with a dashed outline for tracing. The following five boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 2

Handwriting practice grid for FASE 2. The first box contains a large, solid black character 'ㇿ'. The following seven boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 3

Handwriting practice grid for FASE 3. The first box contains a large, solid black character 'ㇿ'. The following seven boxes are empty for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 4

Handwriting practice grid for FASE 4. The first box contains a large, solid black character 'ㇿ'. The following ten boxes contain a shaded, textured background for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

Handwriting practice grid for FASE 4. The first box contains a large, solid black character 'ㇿ'. The following ten boxes contain a shaded, textured background for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE NINJA

Handwriting practice grid for FASE NINJA. The first box contains a large, solid black character 'ㇿ'. The following ten boxes contain a shaded, textured background for independent practice. Each box is divided into four quadrants by a vertical dashed line and a horizontal dashed line.

FASE 1

Handwriting practice grid for FASE 1. The first box contains a large number '1' with a dashed line showing the stroke path. The following six boxes are empty for practice.

FASE 2

Handwriting practice grid for FASE 2. The first row starts with a large number '1' and is followed by six empty boxes. The second row consists of seven empty boxes.

FASE 3

Handwriting practice grid for FASE 3. The first row starts with a large number '1' and is followed by seven empty boxes. The second row consists of eight empty boxes.

FASE 4

Handwriting practice grid for FASE 4. The first row starts with a large number '1' and is followed by ten shaded boxes. The second row is empty.

Handwriting practice grid for FASE 4. The first row starts with a large number '1' and is followed by ten shaded boxes. The second row is empty.

FASE NINJA

Handwriting practice grid for FASE NINJA. The first row starts with a large number '1' and is followed by ten shaded boxes. The second row is empty.
